- (d) by when a result-oriented action would be taken on these proposals to make establishment of the hospital possible?

**ANSWER
THE MINISTER OF AYUSH
(SHRI SARBANANDA SONOWAL)**

(a) to (d) Public Health being a State subject, the primary responsibility to build fifty bed Ayush hospitals in the country including Uttar Pradesh lies with the respective State/UT Governments. However, under Centrally Sponsored Scheme of National Ayush Mission (NAM), there is provision of financial assistance to States/UTs for setting up of upto 50/30/10 bedded integrated Ayush hospitals and State/UT Government may avail financial assistance by submitting suitable proposals through State Annual Action Plan (SAAP) as per the provisions of NAM guidelines. State Government of Uttar Pradesh has submitted proposals for 41 integrated Ayush hospitals through SAAPs during last five years. Accordingly, Ministry of Ayush has approved 28 units of integrated Ayush hospitals as per the priorities fixed by State Government in their allocated resource envelope. The details of approved integrated Ayush hospitals and their status is furnished at **Annexure**. However, as implementation of the Scheme comes under the purview of respective State Government, no specific timeline has been fixed by Government of India for completion of the proposed integrated Ayush hospitals.
