**ANSWER**

THE MINISTER OF STATE IN THE MINISTRY OF SKILL DEVELOPMENT AND  
ENTREPRENEURSHIP

(SHRI RAJEEV CHANDRASEKHAR)

(a) to (d) The Skill India Mission (SIM) of the Government of India is aimed at Skilling, Re-skilling and Up-skilling to ensure our youth are prepared for the large number of opportunities coming up as the economy expands and India moves from the 10<sup>th</sup> largest economy to 3<sup>rd</sup> largest economy in the world. SIM is aimed at future ready and Industry ready talent among the youths.

Under the SIM, the Ministry of Skill Development and Entrepreneurship (MSDE) provides skill, re-skill and up-skill training to youth across the country including Uttar Pradesh through a comprehensive network of skill development centres/institutes under various schemes viz. Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Jan Sikhshan Sansthan (JSS), National Apprenticeship Promotion Scheme (NAPS) and Craftsman Training Scheme (CTS) through Industrial Training Institutes (ITIs). All the above mentioned schemes are ongoing. The number of persons trained under these schemes in Uttar Pradesh during last three years (2020-21 to 2022-23) is as under:-

Name of Scheme	Number of persons trained (2020-21 to 2022-23)
PMKVY	3,33,869
JSS	2,64,725
NAPS	1,14,940
CTS	8,74,747

Placement is specifically tracked only under Short Term Training (STT) component of PMKVY. District-wise details of candidates trained and reported placed during the last three years in Uttar Pradesh are placed at **Annexure-I**. As regards other schemes, third party evaluation reports have observed that there is success in terms of placement or enhancement of income of candidates trained. As far as the employment of the JSS scheme beneficiaries is concerned, third party evaluation report of the scheme observed that as an impact of the training programme conducted at JSSs, the self and wage employment and private job have become evident. The report has further observed that usefulness of the scheme would be further evident from the fact that 77.05% of the beneficiary trainees have undergone occupational shifts. The final report of Tracer Study of ITI Graduates (published in January 2018 by the Ministry of Skill Development & Entrepreneurship, GoI) mentions that 63.5% of total ITI pass-outs got employed (wage + self, out of which 6.7% are self-employed).
