**ANSWER**

MINISTER OF AGRICULTURE AND FARMERS WELFARE

(SHRI NARENDRA SINGH TOMAR)

(a): No, Sir. There are no pending dues to any farmers under PM-KISAN Scheme. Eligible farmers are being enrolled and deceased/ineligible beneficiaries are being removed by way of continuous verification and validation of the beneficiary's data. Under the scheme, financial benefit of Rs 6000/- annually, in three equal installments, is transferred into the Aadhaar seeded bank accounts of farmers.

(b): Yes, Sir. Many remedies are available to the farmers who have registered but not received the benefits. The State Government have appointed Nodal Officer for the Scheme at block, district and state level to whom farmers can submit their grievances. Normally District Agriculture Officers or the district Collectors are available to attend to their grievances.

The PM-KISAN Portal is also utilized by farmers to lodge their grievances for their prompt Redressal. An exclusive grievance mechanism "Help Desk" has been incorporated under the 'Farmers Corner' of PM-KISAN Portal, through which the grievance of the farmer

is directly transferred to the concerned Nodal Officer. Farmers can also register their grievances through Public Grievance Portal or send their grievance directly to the Department of Agriculture and Farmers Welfare.

To further help farmers on seeking Redressal of their various grievance and replies to their various queries relating to the Scheme a 24x7 IVRS based helpline 155261 has also been set up.

(c): Details of amount disbursed to beneficiaries under PM-KISAN since its inception period-wise, state-wise is enclosed in Annexure – I.

(d) & (e): As per Operational Guidelines of the Scheme, State/UTs identify and verify the eligible farmers before uploading the data on PM-KISAN Portal. Benefits are transferred to the beneficiaries through Direct Benefit Transfer mode after validation of the uploaded data on PM-KISAN Portal, which has been integrated with Unique Identification Authority of India (UIDAI) for Aadhaar authentication; with Public Finance Management System (PFMS) for validation of account and Government employees/pensioners data; with Income Tax Department for validation of income tax payee status; and with National Payment Corporation of India (NPCI) for account validation and Aadhaar based payments.

A few States reported instances of fraudulent transactions under the Scheme. These are Tamil Nadu, Karnataka, Rajasthan and Gujarat. Recoveries have been made from fraudulent beneficiaries by the State Governments of Tamilnadu (Rs 187.45 Crore), Rajasthan (Rs 4.76 Crore), Karnataka (Rs 6.86 Crore) and Gujarat (Rs 12.42 Crore). Appropriate disciplinary action against the responsible officials have been taken by the State Governments and FIRs have been lodged, accordingly.
