**ANSWER**

THE MINISTER OF STATE FOR TEXTILES  
(SMT. DARSHANA JARDOSH)

**(a) to (c):** The Government is implementing Scheme for Integrated Textile Park (SITP) to provide the textile industry with state of art infrastructure for setting up of textile units. Under the scheme, 54 projects from different states were approved, out of which 30 projects have been completed while 24 projects are at various stages of implementation. However, no proposal from Jharkhand under the Scheme had been received/approved in the Ministry.

Besides, the Government has approved setting up of 7 PM Mega Integrated Textile Region and Apparel (PM MITRA) Parks in Greenfield/Brownfield sites with world class infrastructure including plug and play facility with an outlay of Rs. 4,445 cr for a period of seven years upto 2027-28. All the State Governments including the state of Jharkhand were requested to submit proposals under PM MITRA. 18 proposals from 13 State Governments had been received for setting up PM MITRA Parks. No proposal from Government of Jharkhand was received under PM MITRA.

The Government of Jharkhand has reported that no park has come into existence under the prevailing Jharkhand Textile Apparel and Footwear Policy-2016 of “Establishment of New Textile/ Apparel/ Footwear Park”.
