THE MINISTER OF STATE FOR JAL SHAKTI

(SHRI BISHWESWAR TUDU)

(a) to (d) The Government of India is implementing Flood Management Programme (FMP) since XI plan from its own resources as a centrally sponsored scheme. To strengthen the structural measures of flood management, Ministry had implemented Flood Management Programme (FMP) during XI & XII Plan for providing Central Assistance to the States for works related to flood control, anti-erosion, drainage development, anti-sea erosion, etc. Subsequently, FMP has been continued as a component of Flood Management and Border Areas Programme (FMBAP). 427 completed projects under FMP have given protection to an area of around 4.994 Mha and protected a population of about 53.57 million.
