As on 01<sup>st</sup> August 2023, a total number of 5.44 crore hospital admissions worth Rs. 66,904 crore are authorized and a total number of 24.33 crore Ayushman cards are created under the scheme.

State/UT-wise and month-wise details of Ayushman cards created under the scheme (as on 01.08.2023) are available at the following link:

About 45,000 hospital admissions are authorized under the scheme every day. Aapke Dwar Ayushman, a door-to-door campaign, which has enlisted the services of grassroots functionaries such as frontline healthcare workers, Panchayati Raj personnel and village level agents, has been taken for beneficiary mobilization and card creation. Support of ASHA workers, frontline workers under Panchayati Raj, Self Help Groups under the National Rural Livelihood Mission (NRLM) for beneficiary mobilization and IEC related activities is sought. This has resulted in the verification of over 14.7 crore beneficiaries, of which, over 10 crore Ayushman cards have been created since April 2022. National Health Authority (NHA) has co-ordinated with various Central Government ministries implementing welfare schemes such as Pradhan Mantri Ujjwala Yojana to enrich the SECC beneficiary database. NHA has revamped the beneficiary identification platform (BIS 2.0) for easy card creation. A PM-JAY mobile application has been developed and deployed to ramp up the card creation activity.
