MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI RAJEEV CHANDRASEKHAR)

(a): Yes, Sir.

(b): Based on the proposals received from respective State Government(s), Software Technology Parks of India (STPI), an autonomous society under Ministry of Electronics and Information Technology (MeitY) has set-up 63 STPI centres across the country. Further, Government of India has also approved 22 new STPI centres across the country. State/UT-wise list of existing and approved STPI Centres are at **Annexure-I and II**.

(c) and (d) Apart from setting up of STPI centre as above, Ministry of Electronics and Information Technology (MeitY) had notified Electronics Manufacturing Clusters (EMC) Scheme in October, 2012 to provide support for the creation of world-class infrastructure along with common facilities and amenities for attracting investments in the electronics sector. The Scheme was closed for receipt of applications from October, 2017. Under the scheme, 19 Greenfield Electronics Manufacturing Clusters and 3 Common Facility Centres (CFCs) were approved in 15 States across the country.

Based on further requirement for strengthening of infrastructure to create robust electronics manufacturing ecosystem in the country, MeitY has introduced Modified Electronics Manufacturing Clusters (EMC 2.0) Scheme on 1st April, 2020. Till date, 5 applications for setting up of EMC project have been approved under EMC 2.0 scheme.
