

GOVERNMENT OF INDIA  
MINISTRY OF ELECTRONICS AND INFORMATION TECHNOLOGY  
**RAJYA SABHA**  
**UNSTARRED QUESTION NO. 2645**  
TO BE ANSWERED ON 11.08.2023

**ELECTRONICS MANUFACTURING CLUSTERS IN THE COUNTRY**

**2645. SHRI DHANANJAY BHIMRAO MAHADIK:**

Will the Minister of ELECTRONICS AND INFORMATION TECHNOLOGY be pleased to state:

- (a) the number of sanctioned Electronics Manufacturing Clusters (EMCs) in the country including Maharashtra;
- (b) the details of each cluster sanctioned with regard to investments received and employment generated, directly and indirectly;
- (c) the details of major electronics manufacturing companies that have established units in these clusters; and
- (d) the details of electronics manufacturing units running in the clusters of Maharashtra?

**ANSWER**

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY  
(SHRI RAJEEV CHANDRASEKHAR)

(a) and (b): Ministry of Electronics and Information Technology (MeitY) notified Electronics Manufacturing Clusters (EMC) Scheme in October, 2012 to provide support for creation of world class infrastructure for attracting investment in Electronics System Design and Manufacturing (ESDM) Sector. The Scheme was closed for receipt of applications from October, 2017. Under the scheme, 19 Greenfield EMCs and 3 Common Facility Centres (CFCs) over an area of 3,464 acres with project cost of INR 3,499 crore including central Grant-in-aid of INR 1,470 crore accorded approval in fifteen (15) states across the country including the state of Maharashtra.

Based on further requirement for strengthening of infrastructure to create robust electronics manufacturing ecosystem in the country, Ministry of Electronics and Information Technology introduced Modified Electronics Manufacturing Clusters (EMC 2.0) Scheme on 1<sup>st</sup> April, 2020 wherein any State Government or State Implementing Agency (SIA) or Central Public Sector Unit (CPSU) or State Public Sector Unit (SPSU) or Industrial Corridor Development Corporation (ICDC) such as DMICDC, etc. or joint venture of such agencies with Anchor Unit(s) or any other industrial estate / industrial park developer can submit its application. The Scheme is open for receipt of application for a period upto March, 2024 and further period upto March, 2028 is available for disbursement of the funds to the approved projects. Under the EMC 2.0 scheme, 5 Electronics Manufacturing Clusters over an area of 1,695 acres with project cost of INR 2,219 crore including central Grant-in-aid of INR 1,036 crore have been approved in 5 states across the country including the state of Maharashtra.

As on date, the EMC & EMC 2.0 schemes are resulted in attracting investment of about INR 55,664 crore and provided direct employment to 33,808 persons. As per industry estimates, indirect employment will be 3 times of such direct employments. The details of such clusters approved under EMC & EMC 2.0 schemes are available at weblink: <https://workdrive.zoho.in/file/xicbicac8071379124c2e8059fe61e9a054b8>.

(c) and (d): The details of the electronics manufacturing companies who have shown interest in these EMCs including the state of Maharashtra is available at <https://workdrive.zoho.in/file/xicbicac8071379124c2e8059fe61e9a054b8>.
