**ANSWER
THE MINISTER OF AYUSH
(SHRI SARBANANDA SONOWAL)**

(a) to (d) Yes Sir. Since, Public Health being a State subject, the primary responsibility to improve capacity of Ayush hospitals in the country including Punjab, comes under purview of respective State/UT Governments. However, under Centrally Sponsored Scheme of National Ayush Mission (NAM), there is provision of financial assistance to States/UTs for different activities including upgradation of existing standalone Government Ayush hospitals. Accordingly, the State/UT Governments may avail financial assistance by submitting suitable proposals through State Annual Action Plans (SAAPs). Under NAM, as per the proposals received from State/UT Governments through SAAPs as per the provision of NAM guidelines, the State/UT-wise status of approved units for upgradation of existing standalone Government Ayush hospitals during last three years and current year is furnished at **Annexure-I**. Further, resource pool/budgetary provision is made for State/UT Governments including Punjab every year and State/UT Governments are required to submit their proposals through SAAPs as per their allocated resource pool for different activities including upgradation of existing standalone Government Ayush hospitals. As per proposals received from State/UT Governments through SAAPs, the status of grant-in-aid released for different activities including upgradation of existing standalone Government Ayush hospitals during the last three years and current year is furnished at **Annexure-II**.
