

**GOVERNMENT OF INDIA
MINISTRY OF AYUSH**

**RAJYA SABHA
UNSTARRED QUESTION NO.500
TO BE ANSWERED ON 25TH JULY, 2023**

NATIONAL AYUSH MISSION

500 SHRI VIKRAMJIT SINGH SAHNEY:

Will the Minister of **AYUSH** be pleased to state:

- (a) the details of funds allocated and utilized under National AYUSH Mission in the last five years, year-wise, State-wise and district-wise for Punjab;
- (b) the number of AYUSH educational institutions established under National AYUSH Mission in the last five years, year-wise, State-wise and district-wise for Punjab;
- (c) the number of medicinal plants set up under National AYUSH Mission in last five years, year-wise, State-wise and district-wise for Punjab;
- (d) the details of public health programmes run under National AYUSH Mission in last five years, year-wise and State-wise;
- (e) whether Government has conducted any impact evaluation study of AYUSH Mission in last five years, if so, the report thereof, year-wise and State-wise; and
- (f) if not, reasons therefor?

**ANSWER
THE MINISTER OF AYUSH
(SHRI SARBANANDA SONOWAL)**

(a) The details of funds allocated and utilized under Centrally Sponsored Scheme of National Ayush Mission (NAM) in the last five years, year-wise, State-wise including Punjab is furnished as **Annexure-I**. However, under NAM there is no provision for district-wise fund allocation.

(b) Public Health being a State subject, establishment of Ayush educational institutions in the country including Punjab, comes under the purview of respective State/UT Governments. However, under NAM, there is provision of financial assistance to States/UTs for establishment of new Ayush Colleges in the States where availability of Ayush teaching institutions is inadequate in Government Sector. State/UT Governments may avail eligible financial assistance by submitting suitable proposals through State Annual Action Plans (SAAPs) as per the provisions of NAM guidelines. Under NAM, as per the proposals received from State/UT Governments through SAAPs, the State-wise and year-wise status of new Ayush educational institutions supported for establishment in the last five years is furnished as

Annexure-II. Further, under NAM, Ministry of Ayush has not received any proposal from State Government of Punjab for establishment of Ayush educational institutions through SAAP.

(c) It is stated that Medicinal Plants component had been supported under NAM Scheme from the year 2015-16 to 2020-21. However, medicinal plants component has been delinked from NAM Scheme from the year 2021-22. Further, as per the proposals received through SAAPs, the status of number of medicinal plants supported under NAM from the financial year 2016-17 to 2020-21 is furnished at **Annexure-III.**

(d) Under the NAM, 8 new Ayush Public Health Programmes have been introduced for implementation through State/UT Governments while NAM scheme was approved on 14 July, 2021 for continuation from 2021-22 to 2025-26. Accordingly, State/UT Governments have been requested to avail financial assistance as per NAM guidelines for implementation of the Ayush Public Health Programmes. As per the proposal received from State/UT Governments during 2022-23, the State/UT wise status of supported public health programmes is furnished as **Annexure-IV.**

(e) & (f) The evaluation of the National Ayush Mission under 28 Umbrella Schemes has been undertaken by NITI Aayog since September 2019 and the report was published in October, 2020. The evaluation revealed that targeted interventions through Community Health Centres, Primary Health Centres, Sub Centres, and other similar institutions are required to give preventive and promotive health care, a more focused orientation. A new Ayush program component may be added to popularize Ayush. It was also highlighted that the administrative setup for Ayush needs to be more independent with dedicated resources.

As per the significant findings of the Third Party evaluation, there was a strong need to continue the scheme with modifications, which was proposed to the Union Cabinet based on the feedback of States/UTs and experience learnings during the last 5 years of implementation and accordingly continuation of Centrally Sponsored Scheme the National Ayush Mission (NAM) has been approved from 2021-22 to 2025-26. The objectives of the scheme viz increasing the access to quality Ayush health services, leveraging benefits of strengthening these systems for public health, especially in Primary healthcare which are expected to be achieved with a much better outcome, with revised interventions approved in the scheme. The targeted public health intervention and component of Ayush Health & Wellness Centres have ample potential to address the preventive, promotive & curative, and wellness aspects of public health.

Annexure-I

The State/UT-wise and year-wise status of funds allocated and utilized as reported by the States/UTs during the last five years
