**UNSTARRED QUESTION NO. 920**  
ANSWERED ON 27/07/2023

**SELECTION FOR DST SATHI SCHEME OF ANDHRA UNIVERSITY**

920. SHRI G.V.L. NARASIMHA RAO:

Will the Minister of SCIENCE AND TECHNOLOGY be pleased to state:

- (a) the objectives, guidelines, eligibility and funding pattern of the implementation of DST Sophisticated Analytical and Technical Help Institutes (SATHI) Scheme;
- (b) the list of institutions that have submitted proposals in 2022 round of proposals and their partner institutions;
- (c) list of institutions from Andhra Pradesh whose proposals were found eligible;
- (d) whether proposal submitted by Andhra University, Visakhapatnam was found eligible;
- (e) the institutions in (c) which have been selected for DST SATHI Scheme under cluster mode;
- (f) if not selected, reasons for not selecting Andhra University; and
- (g) whether it will be considered for selection in future, reasons thereof?

**ANSWER**

MINISTER OF STATE (INDEPENDENT CHARGE)  
FOR THE MINISTRY OF SCIENCE AND TECHNOLOGY  
(DR. JITENDRA SINGH)

(a) (i) Objectives:

SATHI establishes high-end equipment and Research Infrastructure/ facilities for research, testing, manufacturing, fabrication and to cater services to the demands of researchers, scientists, students, start-ups, manufacturing units, MSME, industries and R&D Labs.

(ii) Broad guidelines:

- To promote networking among grantee agencies at local levels and to avoid duplication of research infrastructure, a consortium mode of approach with academia, research institutes, non-government organizations, S&T councils and industries belonging to the same domain that lie in close vicinity on mutually agreeable terms of conditions of DST (minimum of 5 organizations or more, forming a cluster of the region) are encouraged to participate.

- Both Government and Non-Government Academic Organization availing previous support of Sophisticated Analytical Instrument Facilities (SAIF)/ Promotion of University Research and Scientific Excellence (PURSE) grant has to either merge those facilities with SATHI project or forgo the SAIF/ PURSE grant, if recommended recently, before implementing the SATHI grant at cluster level.
- A not-for-profit Section-8 company as well as Governing Body formation is compulsory in consortium mode before the support of granting agency.

(iii) Eligibility:

- Both Government and Non-Government academic Institutions /Department of Scientific and Industrial Research (DSIR) recognized R&D centres / Organizations / Private industries with DSIR recognition are eligible to apply in cluster mode.
- The lead organization should be in a place to provide space (~ 20000 Sq. ft.) along with provision for future expansion to a total of 30,000 sq. ft. appropriate Lab infrastructure under one roof and partner organizations may participate on sharing mode of matching fund basis, while targeting to share 25% of total sanctioned amount.

(iv) Funding Pattern:

- Funding support of DST would be of Rs 60.0 crores (as the upper limit, including both Non-recurring & recurring component) for 4 years duration.
- Overall funding pattern & its mode would be maintained at 75:25 ratio. The share of 25% would be contributed by the cluster organisations from their own income sources and not from diverting funds available under the Grant-in-aid received from other Department of Government of India or from the CFI, GoI.

(b) The list of proposals submitted by different organizations in cluster mode along with partner organizations, in 2022 round of advertisement of SATHI are placed at Annexure-I.

(c) Following proposals of SATHI, submitted by different organisations from Andhra Pradesh were found eligible.
