As on 30th November 2023, approximately 3.79 crore claims have been submitted for the period between FY 2020-21 and FY 2022-23, out of which 3.54 crore claims have been paid and 12.04 lakh claims are pending. The financial year-wise details of claims submitted and claims paid in the last three years are as follows:

Financial Year	Claims Submitted (count)	Claims Paid (count)
FY 2020-21	70.06 Lakh	67.19 Lakh
FY 2021-22	1.45 Crore	1.40 Crore
FY 2022-23	1.63 Crore	1.47 Crore

Financial year-wise and State/UT-wise details of claims submitted, claims paid and pending claims under AB-PMJAY are at **Annexure-I**. It may be noted that certain claims are rejected.

In the State of Punjab, AB-PMJAY is implemented in convergence with State scheme -Mukhya Mantri Sehat Bima Yojana. As on 30th November 2023, 12.35 lakh claims have been submitted for the period between FY 2020-21 and FY 2022-23, out of which 11.82 lakh claims have been paid and 18,910 claims are pending in the State of Punjab. Financial year-wise and district-wise details of claims submitted, claims paid and pending claims under AB-PMJAY in the State of Punjab are at **Annexure-II**.

Under AB-PMJAY, claims are settled by respective State Health Agencies under the State Government. Timely settlement of claims is one the key parameters against which scheme performance is measured. National Health Authority (NHA) monitors the status of claim settlement under the scheme. Regular review meetings are organized to take stock of the progress with regards to the claims settlement. Further, capacity building activities are organised for efficient claims settlement.

NHA has launched another initiative called the Green Channel Payments (GCP) with the objective to ensure timely payment to the hospitals. Under GCP, partial payment of 50% of the claim amount is automatically released to the hospitals at the time of claim submission, while the balance is released after the normal claim adjudication process. Many States have initiated the implementation of GCP.
