ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY
WELFARE
(DR. BHARATI PRAVIN PAWAR)**

(a) to (c): The National Medical Commission has issued Competency Based Medical Education(CBME) Curriculum Guidelines on 01.08.2023 for MBBS students. Under the curriculum, students have to understand the dynamics of rural set-up of that region in the First Professional Year under the subject “Curriculum for family adoption Programme and “Targets to be achieved by students”. The CBME Guidelines is available at <https://www.nmc.org.in/information-desk/all-news/>.
