ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE
(PROF. SATYA PAL SINGH BAGHEL)

(a) to (d) : Ayushman Bharat Digital Mission (ABDM) was launched in September 2021. ABDM aims to create an online platform enabling interoperability of health data within the health ecosystem. The aim of this mission is to create an Electronic Health Record (EHR) of every citizen.

ABDM envisages to develop the backbone necessary to support the integrated digital health infrastructure of the country. The core components of the Mission include Ayushman Bharat Health Account (ABHA) for citizens, Health Professional Registry (HPR), Health Facility Registry (HFR) and ABHA Application. The digital health ecosystem created by ABDM supports continuity of care across primary, secondary and tertiary healthcare in a seamless manner.

ABDM, is a central sector scheme with an outlay of Rs 1600 crore for 5 years from 21-22 to 25-26. Under the scheme, funding for Human Resources, Capacity Building (CB) & Information Education and Communication (IEC) activities is provided to all States and Union Territories (UTs) to drive this mission and to facilitate necessary handholding support in on-boarding all the facilities/ health professionals and to integrate all state health programmes/ solutions under ABDM ecosystem.

The details of funds allocated, released and spent to States/UTs during the F.Y. 2021-22, 2022-23 and 2023-24 (till 1st December 2023) are given under Annexure A

Annexure- A
