MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(DR. SUBHAS SARKAR)

(a) & (b): School and Higher Educational Institutions across the country celebrated National Education Day, 2023. On this occasion, various activities such as seminars, essay competition, poster making, poem recitation, speeches by students and teachers, slogan writing etc. were organized to promote awareness regarding the importance of education and nation building. Like every year, National Institute of Education Planning and Administration (NIEPA) organized the annual Maulana Azad Memorial Lecture on the occasion.
