Annexure referred to in reply to Part (b) of the Rajya Sabha Unstarred Question No.1244 to be answered on 13.12.2023

Narcotics Control Bureau has taken several measures and steps at national and international front to contain drug trafficking in the country which are mentioned as under.

- MHA, GoI has established a **4-tier Narco-Coordination Centre (NCORD)** mechanism for ensuring better coordination between Central & State Drug Law Enforcement Agencies and other stake holders in the field of controlling drug trafficking and drug abuse in India. An NCORD portal has been developed by NCB. It is an all in one portal for information related to drug law enforcement. Topics like NCORD, Training & Capacity Building, Narco-offenders data, legal information, exemplary initiatives taken by states etc are covered on the NCORD portal.
