ANSWER

THE MINISTER OF STATE IN THE
MINISTRY OF HOUSING AND URBAN AFFAIRS
(SHRI KAUSHAL KISHORE)

- (a) to (c): Urban Development is a State subject. However, the Ministry of Housing and Urban Affairs facilitates and assists States/Union Territories (UTs), including Maharashtra, in this endeavour through its Missions- Atal Mission for Rejuvenation and Urban Transformation (AMRUT & AMRUT 2.0), Smart Cities Mission (SCM), Swachh Bharat Mission-Urban (SBM-U & SBM-U 2.0), Pradhan Mantri Awas Yojana Urban (PMAY-U) and through Urban Transport (UT) projects to improve the quality of life in cities and towns covered under these Missions. Under these Missions the Central Government approves the State Plans and provides the Central Assistance (CA) to the States. The projects are selected, designed, approved and executed by the States/UTs and the Cities. The State Governments release funds to the Cities. In order to expedite the implementation of projects under the urban development schemes various institutional frameworks, provisions of progress reports, returns and review by undertaking field visits have been put in place. Review meetings in States/UTs and video conferences are also held for the purpose. Besides, the State Governments also monitor the progress of the Missions with a view to expedite their implementation. The details of funds allocated and released during the last three years and current financial year are given in the Annexure.
