- (b) the criteria used to select the fund receivers across the country;
- (c) whether Government plans to increase the amount of credit released under the scheme in future; and
- (d) if so, the details thereof?

ANSWER

MINISTER OF STATE FOR MICRO, SMALL AND MEDIUM ENTERPRISES
(SHRI BHANU PRATAP SINGH VERMA)

(a) to (d): As a part of Aatmanirbhar Bharat package, Rs 50,000 crore equity infusion for MSMEs through Fund of Funds was announced. Under this fund of Rs. 50,000 crore, there is a provision of Rs.10,000 crore from the Government of India and Rs.40,000 crore through Private Equity / Venture Capital funds. This is a Central Sector Scheme, under which funds are not released to the State Governments. As per the Self Reliant India (SRI) Fund guidelines, MSMEs, defined as per the MSMED Act, as amended from time to time, are eligible for consideration. The equity support is provided to all existing and interested MSMEs which, after assessment, are found viable, whose growth trajectory is positive and who have a defined business plan for growth indicating positive funds flow. Since inception, the State-wise details of funds infused as equity in MSMEs, including the state of Odisha under the Self Reliant India (SRI) Fund, till 30.11.2023, are annexed.
