

GOVERNMENT OF INDIA
MINISTRY OF NEW AND RENEWABLE ENERGY
RAJYA SABHA
UNSTARRED QUESTION NO. 1899
ANSWERED ON 19/12/2023

ROOFTOP WIND ENERGY GENERATION

1899. DR. LAXMIKANT BAJPAYEE

Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:

- (a) whether Government has planned any roadmap for the installation of rooftop wind turbine for the generation of energy;
- (b) if so, the funds allocated for the same; and
- (c) how Government plans to make it easy and affordable for the household?

ANSWER

THE MINISTER OF NEW & RENEWABLE ENERGY AND POWER

(SHRI R.K. SINGH)

(a) to (c) At present, there is no specific scheme for subsidy for the installation of rooftop wind turbine for the generation of electricity. However, the ongoing Rooftop Solar Scheme Ph-II has provision for installation of solar rooftop PV- wind hybrid systems, wherein the central financial assistance/ incentive is considered only for the capacity of the PV modules installed on rooftop of buildings within the campus.
