ANSWER

MINISTER OF STATE FOR TRIBAL AFFAIRS
(SHRI BISHWESWAR TUDU)

(a) to (c): The Government of India on 15.6.1999 (further amended on 25.6.2002 and 14.9.2022) has approved the modalities for deciding the claims for inclusion in, exclusion from and other modifications in the Orders specifying lists of Scheduled Tribes. According to these modalities, only those proposals which have been recommended and justified, along with ethnographic details by the State Government/UT Administration concerned, can be processed further. Thereafter, it has to be concurred with by the Registrar General of India (RGI) and the National Commission for Scheduled Tribes (NCST) before being considered for amendment legislation. All actions are taken as per these approved modalities.

The proposals for inclusion in the list of Scheduled Tribes of a State or Union Territory follow certain processes as per the modalities. This is a continuous process. Proposals received from the State Government should be accompanied by an ethnographic report. The proposals are examined by the Office of the RGI and then by the NCST. In case the proposal is not recommended by the RGI, the State Governments are communicated the points raised by the RGI, so that additional information, if any, may be furnished by the State Government.
