Department of Agriculture & Farmers' Welfare is implementing Modified Interest Subvention Scheme (MISS), a Central Sector Scheme, with a view to provide short term Agri-loans availed by farmers through KCC for their working capital requirements at concessional rate of interest. Under this scheme, farmers are given KCC loan at subvented interest rate of 7%. For this, at present, interest subvention of @1.5% is being given to financial institutions. Therefore, short term loans for Agriculture and other allied activities including animal husbandry, dairy, fisheries etc. upto Rs. 3.00 lakh is available to farmers at an interest rate of 7% per annum. Additional 3% prompt repayment incentive (PRI) is also given to the farmers for prompt and timely repayment of loans; thus reducing the effective rate of interest to 4% per annum.
