(c): Presently, the Mumbai-Ahmedabad High Speed Rail (MAHSR) Project is the only sanctioned High Speed Rail project in the country which is under execution with the financial and technical assistance from Government of Japan.

Further, the Ministry of Railways has undertaken the work for the survey/Detailed Project Report (DPR) for the following seven High Speed Rail (HSR) corridors :-

- i. Delhi - Varanasi
- ii. Delhi - Ahmedabad
- iii. Delhi - Amritsar
- iv. Mumbai - Nagpur
- v. Mumbai - Pune - Hyderabad
- vi. Chennai - Bangalore - Mysore
- vii. Varanasi - Howrah

None of the above corridor is sanctioned as yet. Being highly capital intensive projects, the decision to sanction any HSR Corridor/Project depends on many factors such as outcome of DPR, techno-economic feasibility, availability of resources and financing options.
