ANSWER
MINISTER OF RAILWAYS, COMMUNICATIONS AND
ELECTRONICS & INFORMATION TECHNOLOGY

(SHRI ASHWINI VAISHNAW)

(a) to (d) With a view to provide better travel experience and faster service to the passengers, Indian Railways have introduced Vande Bharat trains. As on 4th December, 2023, 68 chair-car variants of Vande Bharat train services are running across Broad Gauge (B.G.) electrified network of Indian Railways(IR). The occupancy pattern of trains on IR is not uniform throughout the year which varies over lean and peak periods.
