**ANSWER**

MINISTER OF STATE FOR JAL SHAKTI

(SHRI RAJEEV CHANDRASEKHAR)

(a) to (d) Government of India is committed to make provision for safe & potable tap water supply in adequate quantity, of prescribed quality and on a regular & long-term basis to all rural households in the country by 2024. Towards this end, the Government of India launched the Jal Jeevan Mission (JJM), to be implemented in partnership with states including Rajasthan, in August 2019. Drinking Water is a state subject, and hence, the responsibility of planning, approval, implementation, operation, and maintenance of drinking water supply schemes, including those under the Jal Jeevan Mission, lies with State/UT Governments. The Government of India supports the states by providing technical and financial assistance.

Significant progress has been made in the country since the launch of Jal Jeevan Mission, towards enhancing access to tap water to rural households. At the start of Jal Jeevan Mission in August 2019, only 3.23 Crore rural households were reported to have tap water connections. So far, as reported by States/ UTs as on 30.01.2024, around 10.96 Crore additional rural households have been provided with tap water connections under JJM. Thus, as on 30.01.2024, out of 19.26 Crore rural households in the country, approximately 14.20 Crore (73.71%) households are reported to have tap water supply in their homes.

Similarly, in Rajasthan, at the time of launch of Jal Jeevan Mission in August, 2019, only 11.74 lakh rural households were reported to have tap water connections. Since then, 37.39 lakhs additional rural households have been provided with tap water connections. Thus, as on 30.01.2024, the provision of tap water supply is available to more than 49.13 lakh (46.07%) rural households in Rajasthan. The district-wise details of tap water connections in the State of Rajasthan is at **Annex-I**.

To bring transparency and effective monitoring online 'JJM dashboard' has been created, which provides State/ UT, district, and village-wise progress as well as status of provision of tap water supply to rural homes. Third party inspection agencies have been deployed to ensure quality of implementation.

The details of central fund allocated, fund drawn, and fund utilization reported by the state governments including Rajasthan since the launch of JJM are at **Annex-II**.
