ANSWER

THE MINISTER OF STATE IN MINISTRY OF FINANCE
(SHRI PANKAJ CHAUDHARY)

(a) & (b): The gross Goods and Services Tax (GST) collection on all supplies (Domestic + Imports) for the last 12 months are given as per Annexure. The gross GST collection in the month of Jan, 2023 is Rs 1,57,554 Crores which has increased to Rs. 1,74,106 Crores in the month of Jan, 2024. The gross GST collection has shown an average growth of 12% on year-on-year basis.

(c) & (d): No Sir. Increase in GST is not only due to inflation. The Government, on the recommendations of the GST Council, has taken various measures to improve the GST compliance and increase the GST collection in the country. Some of the factors responsible for this increase include GST rate rationalization to improve tax compliance, e-invoice system, mandatory e-filing and e-payment of taxes, regular enforcement & compliance verification of tax returns, taxpayer education and media campaign, etc.

(e) & (f): No such proposal is under consideration at the moment. However, as per Article 279 A (5) of the Constitution, the Goods and Services Tax Council shall recommend the date on which the Goods and Services tax be levied on petroleum crude, high speed diesel, motor spirit (commonly known as petrol), natural gas and aviation turbine fuel (ATF). In this regard, the GST Council has not taken any decision so far.
