ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE
(DR. BHARATI PRAVIN PAWAR)**

(a) & (b): The Ministry of Health & Family Welfare administers Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) which aims at correcting regional imbalances in the availability of affordable tertiary healthcare services and to augment facilities for quality medical education in the country. One of the two component of the Scheme, namely, Up-gradation of existing Government Medical Colleges/Institutions (GMCIs) is a Centrally Sponsored Scheme (CSS). Up-gradation of GMCIs under PMSSY broadly involves construction of Super Specialty Block (SSB) and/or Trauma Centre / or other facilities and/or procurement of medical equipment. Under the Scheme 75 projects of upgradation of GMCIs have been approved in various phases. Out of those 64 has been completed and 11 are still ongoing. The State-wise details of the projects completed since 2020 and ongoing projects alongwith central government share are at Annexure - I.

Ministry also administers two other CSS (CSS) namely, Upgradation of existing State Government/Central Government medical colleges to increase MBBS seats and starting new PG discipline & increase of PG seats in the country. Under the Scheme, the funds are provided for civil constructions and procurement of equipment. The fund sharing mechanism between the Centre and State Governments is in the ratio of 90:10 for North Eastern and Special Category States, and 60:40

for others, with the upper ceiling cost pegged at Rs.1.20 crore per seat. As per the guidelines of the Scheme, concerned State/UT is the implementing agency of the project. Under the Schemes, 1762 MBBS seats in 38 Medical Colleges and 2259 PG Seats in 51 Medical Colleges have been approved since 2020-21. Details are as follows:-
