GATI SHAKTI MASTER NATIONAL PLAN

836. Shri Iranna Kadadi:

Will the Minister of **Commerce and Industry** be pleased to state:

- (a) the quantified targets achieved under the Gati Shakti Master National Plan, classified year-wise;
- (b) the number of project proposals under the plan since its inception, State-wise; and
- (c) the list of projects from various Central Ministries/Departments that have been evaluated by the Network Planning Group (NPG) under PM Gati Shakti?

ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

- (a): PM Gati Shakti National Master Plan (NMP) was launched in October 2021 as a transformative approach for integrated infrastructure development for multi-modal, first and last mile connectivity to the economic nodes and social infrastructure. It is a tool that integrates economic and infrastructural planning with socio-economic development. The National Master Plan platform along with the administrative setup under the initiative is facilitating integrated planning of multimodal infrastructure by the concerned Ministries using the available GIS data layers pertaining to the infrastructural assets. No quantified targets have been set under the initiative.
- (b): Details of projects of the States, approved under the Part-II of the “Scheme for Special Assistance to the States for Capital Investment”, are given at **Annexure-I**.
- (c): PM GatiShakti National Master Plan (PMGS-NMP) along with its administrative setup i.e. Network Planning Group (NPG) and its Technical Support Unit (TSU) has till date evaluated 131 projects proposals of Ministry of Railways, Ministry of Road Transport & Highways, Ministry of Ports, Shipping & Waterways, Ministry of Housing & Urban Affairs, Ministry of Commerce & Industry, Ministry of New & Renewable Energy and Ministry of Petroleum & Natural Gas from the perspective of multimodal connectivity to various economic and social nodes across States and Union Territories throughout country. Details of the projects proposals evaluated under PMGS-NMP framework is available at link :
