The District Mental Health Programme (DMHP) component of the NMHP has been sanctioned for implementation in 767 districts for which support is provided to States/UTs through the National Health Mission with the objectives that include suicide prevention services, work place stress management, life skills training and counselling in schools and colleges.

In addition to the above, the Government is also taking steps to strengthen mental healthcare services at primary healthcare level. The Government has upgraded more than 1.73 lakh Sub Health Centres (SHCs), Primary Health Centres (PHCs), Urban Primary Health Centres (UPHCs) and Urban Health & Wellness Centres (UHWCs) to Ayushman Arogya Mandirs. Mental health services have been added in the package of services under Comprehensive Primary Health Care provided at these Ayushman Arogya Mandirs.

Besides the above, the Government has launched a "National Tele Mental Health Programme" (NTMHP) on 10th October, 2022, to improve access to quality mental health counselling and care services in the country.
