ANSWER

THE MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

(SHRI JAYANT CHAUDHARY)

(a) The Directorate General of Training (DGT) under the Ministry of Skill Development & Entrepreneurship (MSDE) is responsible for running the Craftsman Training Scheme (CTS) implemented mainly through the Industrial Training Institutes (ITIs). The ITIs are under the administrative and financial control of the State Governments. The upgradation of the ITIs is the responsibility of the state governments. The broad framework for providing CTS training, including affiliation of ITIs, designing of courses, conducting exams, and certifying the trainees, is done by the DGT.

The DGT, however, also runs schemes, from time to time to provide support to the State Governments for the upgradation of ITIs. Till recently, the DGT was implementing four schemes, namely "Skills Strengthening for Industrial Value Enhancement (STRIVE)," "Upgradation of Existing Government ITIs into Model ITIs (Model ITI)," "Enhancing Skill Development Infrastructure in NE States (ESDI)," and "Skill development in 48 districts affected by LWE (LWE scheme)" to provide financial assistance to State Governments for the upgradation and establishment of ITIs.

- i. Under the 'STRIVE' Scheme, 500 ITIs (which include 467 Government and 33 Private ITIs) were selected for upgradation of workshops, labs and capacity building of ITIs. The scheme ended on 31st May 2024, and during the last five years, a total financial assistance of Rs. 549.16 crore was released to the States/UTs for the upgradation of ITIs.
- ii. The 'Model ITI' scheme envisaged the upgradation of 35 selected government ITIs into Model ITIs with financial assistance of up to Rs. 10 crore per ITI for equipment upgradation and civil works. The scheme ended on 31st March 2024, and a total financial assistance of Rs.53.88 crore was provided to States/UTs under this scheme during last five years.
- iii. The ESDI scheme offered support to ITIs in the North Eastern states. It envisaged the upgradation of 22 existing ITIs (@ Rs. 2 crore per ITI) by establishing 3 new trades in each ITI; supplementing deficient infrastructure in 28 ITIs (@ Rs. 2 crore per ITI) by constructing new hostels, new boundary walls, and supplementing old and obsolete tools and equipment for 3 existing trades in each ITI; and establishing 34 new ITIs (@ Rs. 9.5 crore per ITI). The scheme ended on 31st March 2024, and a total financial assistance of Rs. 104.06 crore was provided to North-Eastern states under this scheme during last five years.
- iv. The LWE scheme, inter alia, supported the establishment of 48 ITIs in 48 districts affected by Left Wing Extremism (LWE) at Rs. 7.34 crore per ITI. The scheme ended on 31st March 2024, and a total financial assistance of Rs. 40.12 crore was provided to the States/UTs under this scheme during last five years.

The scheme wise details of release of fund releases during last five years are given at **Annexure I.**

(b) Regrading Model ITIs, 19 ITIs out of the 35 selected ITIs have been provided financial assistance for upgradation into Model ITIs under this scheme in the last five years. The details of the funds released to these 19 ITIs during last five years are given in **Annexure I.**

(c) The details of the Flexi-MoUs signed with industries for training programs to meet specific skill requirements, during the last five years, State-wise/UT-wise is given at **Annexure II.**

(d) The Ministry of Skill Development and Entrepreneurship (MSDE) is implementing schemes, viz. Pradhan Mantri Kaushal Vikas Yojana (PMKVY) and Jan Shikshan Sansthan (JSS), to encourage skilling in the country. These schemes aim to stimulate employment opportunities among youth of various socioeconomic levels and different age groups in various sectors, including the unorganized sector. The details, including number of beneficiaries and the funds

released under these scheme during the last five years, State-wise/UT-wise, are given in **Annexure III**.
