(a) to (c). Indian Railways strives to provide affordable services to all strata of the society and gave subsidy of ₹56,993 crore on passenger tickets in 2022-23. This amounts to concession of 46% on an average, to every person, travelling on Railways. This subsidy is continuing for all passengers. Further, concessions beyond this subsidy amount are continuing for many categories like 4 categories of Persons with disabilities (Divyangjans), 11 categories of patients and 8 categories of students.
