ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI JITIN PRASADA)

(a) to (e): The Government of India implemented the scheme "Pradhan Mantri Gramin Digital Saksharta Abhiyan (PMGDISHA)" for digital literacy in rural India. Under the said scheme, around 7.35 crore candidates were enrolled and 6.39 crore were trained, out of which 4.78 crore candidates were certified. The States/UTs-wise details is given at**Annexure-I**. The main features of the PMGDISHA scheme are as under:

- The scheme was implemented only in rural areas i.e. Gram Panchayat/Village to cover 6 crore rural households (one person per household).
- The beneficiaries were provided with 20 hours of training consisting of 5 modules namely (i) Introduction to digital devices, (ii) Operating digital devices, (iii) Introduction to the internet, (iv) Communications using the internet, (v) Application of internet (includes citizen centric services) and use of financial tools for undertaking digital cashless transactions.
- The training content was made available in 22 scheduled languages and English. This content was made available in both online and offline mode. In addition, keeping in view the thrust of the government on promoting cashless transactions through mobile phones, the content on digital wallets, mobile banking, Unified Payments Interface (UPI), Unstructured Supplementary Service Data (USSD), Aadhaar Enabled Payment System (AEPS), and PoS were included.
- After training of the candidate, a third-partyassessment of the trained candidates was carried out by recognized certifying agencies namely National Institute of Electronics and Information Technology (NIELIT), National Institute of Open Schooling (NIOS), Centre for Development of Advanced Computing (CDAC), Haryana Knowledge Corporation Limited (HKCL) and ICT Academy of Tamil Nadu (ICTACT). Digitally Signed Certificates were issued for all successful candidates and directly uploaded in their Digi-Locker accounts.

Further, National Institute of Electronics & Information Technology (NIELIT), an autonomous scientific society under the Ministry of Electronics & Information Technology (MeitY) is imparting various skill development programmes in Information Technology & Electronics domain through its 52 centres along with more than 720 accredited institutes and more than 9,500 facilitation centres.
