- (c) After successful accomplishment of Swachh Bharat Mission (Grameen) [SBM(G)] Phase I, all the villages in all States/UTs in the country declared themselves ODF by 2nd October, 2019. However, recognizing that provision of toilets is a continuous process, as new families keep on emerging due to migration and other social factors, SBM Phase II has kept toilets as a first charge on SBM funds and accordingly in Phase II of the program also toilets are made on demand basis. So far 1.43 Cr toilets have been built in phase II of the programme.
