

GOVERNMENT OF INDIA
MINISTRY OF AGRICULTURE & FARMERS WELFARE
DEPARTMENT OF AGRICULTURE & FARMERS WELFARE

RAJYA SABHA
STARRED QUESTION NO. 58
TO BE ANSWERED ON 29/11/2024

INCREASE IN MSP OF CROPS AND COST OF PRODUCTION

***58. SHRI JAVED ALI KHAN:**

Will the Minister of AGRICULTURE AND FARMERS WELFARE be pleased to state:

- (a) the details of increase in Minimum Support Price (MSP) of various crops and increase in the cost of their production during last three years and the current year till November, 2024, crop-wise, State-wise and year-wise;
- (b) the details of difference in increase of MSP of various crops and their cost of productions, crop-wise, year-wise and State-wise;
- (c) the reasons as to why Government is not able to provide remunerative MSP resulting in farmers' suicide, particularly in Northern States; and
- (d) the number of farmers who have left agricultural profession due to non-remunerative MSP during 2023 and 2024, year-wise and State-wise?

ANSWER

MINISTER OF AGRICULTURE AND FARMERS WELFARE
(SHRI SHIVRAJ SINGH CHOUHAN)

- (a) to (d): A Statement is laid on the Table of the House.

**STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (d) OF RAJYA SABHA
STARRED QUESTION NO 58 DUE FOR ANSWER ON 29/11/2024 REGARDING
'INCREASE IN MSP OF CROPS AND COST OF PRODUCTION'.**

(a) & (b): Every year, Government fixes Minimum Support Prices (MSPs) for 22 mandated agricultural crops for the country as a whole and not region or state-specific, based on the recommendations of Commission for Agricultural Costs & Prices (CACP), after considering the views of State Governments and Central Ministries/Departments concerned. The details of year-wise and crop-wise increase in Minimum Support Prices (MSPs) of 22 mandated crops, cost of production and their difference from the year 2021-22 to 2024-25 are given at **Annexure**.

(c): The Union Budget for 2018-19 had announced the pre-determined principle to keep MSPs at levels of one and half times of the cost of production. Accordingly, Government had increased MSPs for all mandated Kharif, Rabi and other Commercial crops with a minimum return of 50 percent over all India weighted average cost of production from year 2018-19 onwards. The increased MSP has benefited farmers of the country including farmers of northern states.

Government's price policy is to ensure remunerative prices to farmers by offering to procure their produce at MSP. However, farmers are free to sell their produce to the Government procurement agencies at MSP or in the open market, whichever is advantageous to them

(d): Farmers of the country are benefited from the successful implementation of increased Minimum Support Prices (MSPs). During the year 2022-23 to 2023-24, total 3 Crore 20 Lakh farmers are benefitted and an amount of 5.10 Lakh Crore rupees paid to farmers.

Ministry of Agriculture & Farmers Welfare has not conducted any survey to ascertain the number of farmers leaving agricultural profession.
