ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

- (a) The details of user fee plazas and the revenue collected by them during the last ten years, State-wise, UT-wise are at Annexure A.
- (b) The details of user fee plazas being operated by Concessionaires under PPP mode (private players) and the Government, State-wise/UT wise are at Annexure B.
- (c) There are no cases of undue user fee collection, as user fee is collected at a user fee plaza on National Highways as per applicable National Highways fee Rules and respective Concession/Contract Agreement. However, if any case of wrong deductions from FASTag reported, the same is addressed by Indian Highway Management Company Limited (IHMCL) (a company owned by NHAI) as per applicable NH Fee Rules and respective Concession/Contract Agreement and also in coordination with the associated banks.
- (d) All toll transactions are monitored in real-time, ensuring accurate and timely collection of user fees. The NPCI and the associated banks monitor daily user fee collection and the same is deposited in central depository bank account, from where it is deposited in Consolidated Fund of India. Further, NHAI publishes detailed toll revenue reports, information of user fee rates,

collected revenues and expenditure making the data accessible to the public and stakeholders in public domain.

(e) In respect of Concessionaire user fee plaza, the user fee is collected by the concessionaire as per respective user fee notification till the end of their concession period as per Concession Agreement.

Further, as per the provisions of NH Fee Rules, 2008 and its amendment thereof, after completion of concession period, the fee plaza is transferred to Central Government and the user fee is collected by the Central Government or the executing authority as per the fee specified under the provisions of NH Fee Rules, 2008 on the date of transfer of such section of the National Highway, bridge, tunnel or bypass, as the case may be.
