

GOVERNMENT OF INDIA
MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP
RAJYA SABHA
UNSTARRED QUESTION NO. 1865
ANSWERED ON 11.12.2024

SKILL DEVELOPMENT INITIATIVES IN ODISHA

1865. SHRI MUZIBULLA KHAN:

Will the Minister of SKILL DEVELOPMENT AND ENTREPRENEURSHIP be pleased to state:

- (a) the number of Skill Development Centres (SDCs) established in Odisha under Central schemes during the last five years;
- (b) the funds allocated and utilized for skill development programs in Odisha, district-wise; and
- (c) whether there are plans to set up more centres in rural and tribal areas of Odisha to enhance employability?

ANSWER

THE MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

(SHRI JAYANT CHAUDHARY)

(a): Under the Government of India's Skill India Mission (SIM), the Ministry of Skill Development and Entrepreneurship (MSDE) delivers skill, re-skill and up-skill training through an extensive network of skill development centres / institutes under various schemes, viz. Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Jan Sikhshan Sansthan (JSS), National Apprenticeship Promotion Scheme (NAPS) and Craftsman Training Scheme (CTS) through Industrial Training Institutes (ITIs), to all the sections of the society across the country. The SIM aims at enabling youth of India to get future ready and equipped with industry relevant skills. Year-wise number of Training Centres (TCs) established in Odisha are as below:

Schemes	Numbers of Training Centres (TCs)				
	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024
PMKVY[§]	174	139	224	259	225
JSS	29	29	29	29	29
NAPS*	171	242	285	434	488
CTS[^]	460	447	454	461	523

**Under NAPS scheme, the data is for number of establishments.*

[^]Under CTS scheme, the data pertains to total number of ITIs including both government and private.

[§]Centres with non-zero enrollments are considered in each FY. If a TC enrolled students in more than one FY then that TC is counted in each FY.

(b): Funds under PMKVY and JSS scheme are released to implementing agencies for meeting the training cost as per prescribed norms. The district-wise funds released for Odisha under PMKVY and JSS during last five years is at Annexure-I. With the launch of DBT under NAPS in July 2023, the Government of India share of stipend is released directly to the apprentices engaged by the establishments under this

scheme. The details of district-wise DBT disbursement in Odisha under NAPS Scheme during 2023-24 is at Annexure-II. CTS scheme is implemented through ITIs and day-to-day administration as well as financial control in respect of ITIs lies with the respective State Government/UT Administration.

(c): The schemes of MSDE for skill development are demand driven and training centres are set up on need basis. Further, in order to meet skilling requirement for future workforce, improve the quality of skilling, to align the training programs to market needs and improve the employability of trainees, following specific steps have been taken by Ministry of Skill Development and Entrepreneurship (MSDE):

i. The training programs offered under the schemes of MSDE are developed in collaboration with industries, keeping in view market demands. 36 Sector Skill Councils (SSCs), led by industry leaders in the respective sectors, have been set up by National Skill Development Corporation (NSDC) which are mandated to identify the skill development needs of respective sectors as well as to determine skill competency standards.

ii. Future ready job-roles addressing the requirement of Industry 4.0, emerging sectors like Drone, Artificial Intelligence (AI), Robotics, Mechatronics, etc., have been prioritized under PMKVY 4.0. Under CTS also, new age courses have been developed to meet the demand of futuristic job roles in emerging technologies.

iii. The National Council for Vocational Education and Training (NCVET) has been set up as an overarching regulator establishing regulations and standards to ensure quality in the Technical and Vocational Education and Training (TVET) space.

iv. The Awarding Bodies recognised by NCVET are expected to develop the qualifications as per the industry demand and map them with the identified occupations as per the National Classification of Occupation, 2015, of Ministry of Labour and Employment and obtain industry validations.

v. Directorate General of Training (DGT) is implementing Flexi MoU Scheme and Dual System of Training (DST). These initiatives are meant to provide training to ITI students in industrial environment.

vi. DGT has also signed MoU with IT Tech companies like IBM, CISCO, Future Skill Rights Network (erstwhile Quest Alliance), Amazon Web Services (AWS) and Microsoft to ensure industry linkages for the institutes at the state and regional levels under Corporate Social Responsibility (CSR) initiatives.

vii. Courses aligned to National Skills Qualification Framework (NSQF) also have components of On Job Training (OJT) and employability skills.

viii. NSDC, under the Market led program, provides support to training providers that collaborate and align skill courses with industry demand.

ix. Under NAPS, apprenticeship training and increasing engagement with industrial establishments for undertaking apprenticeship programs is promoted.

x. Implementation of Skills Strengthening for Industrial Value Enhancement (STRIVE) scheme, a World Bank assisted project launched with the objective of improving the relevance and efficiency of skills training provided through Industrial Training Institutes (ITIs) and apprenticeships.

xi. Trainings of Trainers through National Skill Training Institutes (NSTIs) and Institutes of Training of Trainers (IToTs).

xii. Skill India Digital Hub (SIDH) Portal has been established as a Digital Public Infrastructure for skilling, employment, and entrepreneurship ecosystems.

xiii. Government of India has signed Memorandum of Understanding / Memorandum of Cooperation in the field of skill development and vocational education & training with twelve countries.

xiv. Government of India has announced setting up of 30 Skill India International Centers for catering to the demand for skilled workers for foreign countries.
