**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SUSHRI SHOBHA KARANDLAJE)**

(a) & (b): Training and capacity building is a continuous process. Programmes for the Welfare Commissioners are organised at regular intervals, covering theoretical as well as implementation aspects of the social protection and welfare schemes of Government, including for workers in the unorganized sectors. Post training officers are equipped to deal with the administration and implementation of these schemes in more efficient and effective manner to provide benefits to workers. Feedback is taken from officers based on field experience to further improve course curriculum and enhance implementation of welfare schemes.
