ANSWER

MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF LAW AND JUSTICE; AND MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS

(SHRI ARJUN RAM MEGHWAL)

(a) to (d): The Government has been implementing the Centrally Sponsored Scheme (CSS) for development of infrastructure facilities for the judiciary since 1993-94, to augment the resources of the State Governments for the construction of judicial infrastructure in the district and the subordinate courts. There are five components covered under the scheme, viz., court hall, residential units, lawyers' halls, toilet complexes and digital computer rooms for the convenience of lawyers and litigants. While the development of infrastructure in district courts is primarily the responsibility of the State Governments, the Central Government supplements the resources of the State Government through the said Scheme. As of now, a central share of Rs. 11,583.07 crores has been released since the inception of the scheme in 1993-94. The Central Government has allocated Rs. 4,244 crore during last 5 years under the scheme. Out of this, as on 31.03.2024, an amount of Rs.3,855 crore has been utilized by the States/UTs. 21,338 court halls and 14,942 residential units

have been constructed in the district and subordinate courts under the scheme as on date. Another, 3,164 Court Halls and 2,619 residential units are currently under construction.

Besides, the eCourts Mission Mode Project is under implementation for Information and Communication Technology (ICT) development of the Indian Judiciary. The Department of Justice, Ministry of Law and Justice, Government of India is implementing eCourts Project in a decentralized manner through the respective High Courts in close coordination with the eCommittee of Supreme Court of India. Phase I of the project was implemented between 2011-2015. Phase II of the project extended from 2015-2023. In the last 5 years, Rs. 1283.83 crore has been released, out of which Rs. 1225.12 crore has been utilized under the scheme. The Government has taken the following e-initiatives to make justice accessible and available for all: -

- i. Under the Wide Area Network (WAN) Project, connectivity has been provided to 99.5% of total Court Complexes across India with 10 Mbps to 100 Mbps bandwidth speed.
- ii. National Judicial Data Grid (NJDG) is a database of orders, judgments, and cases, created as an online platform under the eCourts Project. It provides information relating to judicial proceedings/decisions of all computerized district and subordinate courts of the country. Litigants can access case information and more than 27.64 crore orders / judgments (as on date).
- iii. Case Information Software (CIS) based on customized Free and Open Source Software (FOSS) has been developed. Currently CIS National Core Version 3.2 is being implemented in District Courts and the CIS National Core Version 1.0 is being implemented for the High Courts.
- iv. As part of eCourts project, 7 platforms have been created to provide real time information on case status, cause lists, judgements etc. to lawyers/Litigants through SMS Push and Pull (Over 4 lakhs SMS sent daily), Email (Over 6 lakhs sent daily), multilingual eCourts services Portal (35 lakh hits daily), JSC (Judicial Service centres) and Info Kiosks. In addition, Electronic Case Management Tools (ECMT) have been created with Mobile App

for lawyers (total 2.69 crore downloads till 31.10.2024) and JustIS app for judges (20,719 downloads till 31.10.2024).

- v. India has emerged as a global leader in conducting court hearing through Video Conferencing. The District & Subordinate courts heard 2,48,21,789 cases while the High Courts heard 90,21,629 cases (totalling 3.38 crore) till 31.10.2024 using video conferencing system. The Supreme Court of India held 7,54,443 hearings from 23.03.2020 to 04.06.2024 through video conferencing. VC facilities have also been enabled between 3240 court complexes and corresponding 1272 jails.
- vi. Live Streaming of court proceedings has been started in High Courts of Gujarat, Gauhati, Orissa, Karnataka, Jharkhand, Patna, Madhya Pradesh, Uttarakhand, Calcutta and the Supreme Court of India, thus allowing media and other interested persons to join the proceedings.
- vii. Virtual Courts in 21 States/UTs have been operationalized to handle traffic challan cases. Over 6 crore cases (6,00,29,546) have been handled by these virtual courts and in more than 62 lakhs (62,97,544) cases, online fine of more than Rs. 649.81 crores have been realized till 31.10.2024.
- viii. e-filing system (version 3.0) has been rolled out with upgraded features for lawyers to access and upload documents related to the cases from any location 24X7.
- ix. e-Filing of cases requires the option for electronic payment of fees which includes court fees, fines and penalties which are directly payable to the Consolidated Fund. Therefore e-Payment system was launched for hassle free transfer of fee etc.
- x. To bridge the digital divide, 1394 eSewa Kendras (Facilitation Centres) in District Courts and 36 eSewa Kendras (Facilitation Centres) in High Courts have been rolled out to provide citizen centric services to lawyers and litigants. It also assists the litigants in accessing online e-Courts services and acts as a saviour for those who cannot afford the technology or are located in far-flung areas. It also aids to addresses the challenges caused by illiteracy among citizens at large. It will provide benefits in saving time, avoidance of exertion,

travelling long distances, and saving cost by offering facilities of e-filing of cases across the country, to conduct the hearing virtually, scanning, accessing e-Courts services etc.

- xi. National Service and Tracking of Electronic Processes (NSTEP) has been launched for technology enabled process serving and issuing of summons. It has currently been implemented in 28 States/ UTs.
- xii. A new “Judgment Search” portal has been started with features such as search by Bench, Case Type, Case Number, Year, Petitioner/ Respondent Name, Judge Name, Act, Section, Decision: From Date, To Date and Full Text Search. This facility is being provided free of cost to all.

Further, eCourts Phase III (2023-2027) has been approved by the Cabinet in Sep’2023 at an outlay of ₹7,210 crore, which is over four times the funding for Phase II. The project envisages various new digital initiatives such as establishment of Digital and Paperless Courts that aim to bring court proceedings under a digital format in a court, digitization of court records both legacy records and pending cases, expansion of video conferencing facilities to courts, jails and hospitals, scope of online courts beyond adjudication of traffic violations, saturation of all court complexes with eSewa kendras, state of the art and latest Cloud based data repository for easy retrieval and supporting the digitized court records, software applications, live streaming, and electronic evidence etc., use of emerging technologies like Artificial Intelligence and its subsets like Optical Character Recognition (OCR) etc. for analysis of case pendency, forecasting future litigation, etc. Thus, the efforts of the Government of integrating technology with the governance may prove to be a game changer in eCourts Phase III, ensuring ease of justice by making the Court experience convenient, inexpensive and hassle free to all the citizens of the country. Under eCourts Phase III, an amount of Rs. 825 crores were allotted in FY 23-24 and expenditure of Rs 768.25 Cr (93.11%) was made in the space of five months. During FY 24-25, an allocation of Rs 1500 Cr. in the Budget Estimate (BE) has been received, out of which Rs. 1232.19 Cr has already been released to the various High Courts.
