2375 SHRI PARIMAL NATHWANI:

Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state: -

- (a) the details of the number of consumers who have given up subsidy on LPG cylinders during the last five years, State/UT-wise and year-wise;

- (c) the details of the amount of subsidy being provided to the consumers per gas cylinder during the last five years, State/UT-wise and year-wise?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI SURESH GOPI)

- (a) to (c): To improve the efficiency of administering LPG subsidies, the Government has over the years undertaken various reforms and system improvement measures, which include, inter alia:
- The 'Give It Up' campaign, encouraging well-off domestic LPG consumers to voluntarily surrender their LPG subsidies.
- Blocking/suspension of multiple, ghost, invalid, and inactive consumer accounts.
- Stopping subsidies for higher-income consumers.
- Capping the number of subsidised refills.
- Direct Benefit Transfer Scheme for LPG consumers (DBTL).
- Deduplication using the Combined LPG Database Platform (CLDP).
- Biometric Aadhaar authentication for PMUY and DBTL consumers.

These measures have resulted in significant savings in LPG subsidies, contributing to the judicious utilisation of public funds.

As on 01.11.2024, about 1.14 crore consumers have voluntarily given up their subsidies under Give it up Campaign. State/UT-wise details of consumers who have surrendered/given up their subsidy are at **Annexure-A**.

The details of estimated subsidy savings on various accounts since 2019-20 are given at **Annexure-B.**

In addition to applicable DBTL subsidy to domestic LPG consumers located in far-flung areas, Government is providing a targeted subsidy of Rs. 300 per 14.2 Kg LPG cylinder since 5th October 2023, which was increased from targeted subsidies of Rs 200 per cylinder which was being provided since May 2022, to all Pradhan Mantri Ujjwala Yojana (PMUY) beneficiaries. With a targeted subsidy of Rs. 300 per cylinder (and proportionately prorated for 5 Kg cylinder), effective cost for PMUY consumers is Rs. 503 per 14.2 Kg cylinder (at Delhi) currently.
