THE MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

(SHRI JAYANT CHAUDHARY)

- (a) Under the PMKVY scheme, district-wise details of no. of candidates trained/oriented and certified in West Bengal since its inception in 2015 till 31.10.2024 is given at Annexure.
- (b) Under the first three versions of PMKVY scheme, the placement rate of STT certified candidates in West Bengal is 41.6 %.
- (c) Under the PMKVY scheme, placements were tracked in the Short-Term Training (STT) component in the first three versions of the Scheme which is PMKVY 1.0, PMKVY 2.0 and PMKVY 3.0 implemented from FY 2015-16 to FY 2021-22. Under PMKVY 4.0, the focus was to empower our trained candidates to choose their varied career path and they are suitably oriented for the same. Further various IT tools like skill India Digital Hub (SIDH) also gives this opportunity.

PMKVY 4.0 is a demand-driven scheme implemented across the country, including West Bengal, aimed at improving the employability of candidates through skill development. To enhance placement outcomes for those trained under PMKVY, several key initiatives have been introduced. On-Job Training (OJT) has been integrated into the Short-Term Training (STT) framework as mandated by NCVET, with the duration tailored to each job role for hands-on experience. Regularly organized Rozgar Melas and Apprenticeship Melas connect skilled candidates with potential employers, providing job opportunities. Additionally, Sector Skill Councils and District Skill Committees play an essential role in identifying job roles based on industry requirements. Emphasis is also placed on training candidates in emerging sectors like Drone, Artificial Intelligence (AI), Internet of Things (IoT), 3D Printing, Blockchain, Mechatronics, Robotics etc. ensuring that they acquire skills that align with current and future job market needs, thus enhancing their employability.
