ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS
(SHRI KIRTI VARDHAN SINGH)

- (a) Year-wise number of passport applications filed and issued in the last five years, is attached at Annexure –I.
- (b) Number of persons who travelled abroad in last five years, as informed by Bureau of Immigration, is attached at Annexure-II.
- (c & d) The Government has simplified the passport issuance process in several ways. To streamline, liberalize and ease the process of passport issuance and to avoid unnecessary objections, the Ministry has taken several steps to simplify passport policy, benefiting citizens of India in applying for and obtaining a passport. The passport portal (www.passportindia.gov.in) is user friendly, accessible to anyone, from anywhere and anytime in India. An applicant can apply for passport from anywhere in India. This citizen-friendly initiative has enabled applicants to choose the Regional Passport Office (RPO) and thus the desired Passport Seva Kendra (PSK)/ Post Office Passport Seva Kendra (POPSK) under the Regional Passport Office (RPO) where they wish to submit their application at, irrespective of whether the present residential address specified in the application form lies within the jurisdiction of the selected RPO or not. Citizens can also apply, pay and schedule appointments for passport services on mPassport Seva mobile app, and do not require access of computer and printer to apply for passport services. The mPassport Seva mobile app enables users to apply, pay and schedule appointments for passport services. It also provides passport related information, including the location of PSKs/POPSKs, applicable fees, submission methods and tracking of passport application status on a smart phone. Ministry's mPassport Police App is being used by the Police authorities for verification of antecedents of the applicants in a paperless digital flow.

Further, DigiLocker has been successfully integrated with the Passport Seva Programme (PSP) system enabling citizens to submit various documents required for passport services through DigiLocker in a paperless mode. For speedy issue of Passport there is a 'Tatkal Scheme'. In order to make passport issuance process more inclusive, for the transgender community, the Government has issued guidelines to accept Certificate of Identity/Identity Card, issued under the Transgender Persons (Protection of Rights) Act, 2019 for the purpose of change of name and gender in passport following change of gender from male to female or vice versa.
