(a) & (b). Yes, Sir. The Ministry of Food Processing Industries is implementing the Production Linked Incentive Scheme for the Food Processing Industry (PLISFPI) over a six-year period, from FY 2021-22 to FY 2026-27. One component of the scheme focuses on Millet-Based Products, with an outlay of ₹800 crore, and is being implemented from FY 2022-23 to FY 2026-27. This component was launched keeping in view International Year of Millets (IYOM). The objectives of the PLI Scheme for Millet-Based Products (PLISMBP) are to increase the use of millets in food products and promote their value addition. These objectives will be achieved by incentivizing the manufacturing and sale of selected millet-based products in both domestic and export markets.
