MINISTER OF RAILWAYS, INFORMATION & BROADCASTING AND  
ELECTRONICS & INFORMATION TECHNOLOGY

(SHRI ASHWINI VAISHNAW)

Railway projects are surveyed/sanctioned/executed Zonal Railway wise and not State-wise as the Railway projects may span across State boundaries. Railway projects are sanctioned on the basis of remunerativeness, traffic projections, last mile connectivity, missing links and alternate routes, augmentation of congested/saturated lines, demands raised by State Governments, Central Ministries, Members of Parliament, other public representatives, Railway's own operational requirement, socio-economic considerations etc. depending upon throwforward of ongoing projects and overall availability of funds.

Dakor and Ujjain are existing railway stations on Indian Railway Network. Further, the survey for Gauge Conversion of Champaner-Pavagadh-Pani Mines (52 Km) has been sanctioned. Moreover, for further improving the connectivity, surveys for construction of (i) Ujjain bypass line from Naikheri-Chintaman Ganesh Railway Station (11 Km), (ii) Nagda bypass line (13 Km), (iii) 3<sup>rd</sup> and 4<sup>th</sup> line between Ratlam and Vadodara (259 Km) and (iv) Ratlam-Nagda quadrupling (41 Km) have been sanctioned.
