ANSWER

**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SUSHRI SHOBHA KARANDLAJE)**

(a) to (c): The working conditions of the plantation workers, including tea plantations of Assam are governed by the Plantations Labour Act, 1951, through the concerned State Governments, for which separate Rules are framed by them.

The wages in the major tea growing states are fixed as per bipartite /tripartite agreement reached among producer associations, workers unions and the State Government.

As informed by the State Government of Assam, the total number of tea workers employed in tea estates is 6,84,064 in Assam and in Barak Valley is 60,372.

The minimum wages of tea garden workers has been enhanced from time to time by the State Government of Assam, details of which are Annexed. The wages of Barak Valley are traditionally placed at a lower rate than the wages of Brahmaputra Valley due to various factors like production, quality and price of tea.
