- (b) whether Government has formulated any other scheme to include more number of farmers under the said scheme in all the States; and
- (c) whether any complaint regarding non-receipt of benefits has been received due to error in data entry of farmers eligible for direct benefit transfer under the said scheme?

ANSWER

MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE
(SHRI RAMNATH THAKUR)

(a): The PM-KISAN scheme is a central sector scheme launched in February 2019 by the Hon'ble Prime Minister to supplement the financial needs of land-holding farmers. Under the scheme, a financial benefit of Rs 6,000/- per year is transferred in three equal instalments, into the Aadhaar seeded bank accounts of farmers through Direct Benefit Transfer (DBT) mode.

A farmer-centric digital infrastructure has ensured the benefits of the scheme reach all the farmers across the country without involvement of any middlemen. Maintaining absolute transparency in registering and verifying beneficiaries, the Government of India has disbursed over Rs 3.46 lakh Cr. in 18 installments since inception. The State-wise, installment-wise details of the beneficiaries benefited and amount released to them under PM-KISAN has been attached at Annexure.

(b): Government has launched several campaigns to saturate the scheme with all eligible farmers. A major saturation drive was taken up from the 15th Nov 2023, under the Viksit Bharat Sankalp Yatra, with more than 1 Cr. eligible farmers included under the scheme. The Government of India also undertook another saturation drive from June, 2024 and within first 100 days of the new Government,

over 25 lakh eligible farmers were included in the Scheme. With the significant efforts taken by the Government, the number of beneficiaries who have received benefits in the 18th instalment increased to 9.58 Cr.

(c): Under the PM-KISAN Scheme, States/UTs are mandated to identify and verify the eligible beneficiaries under the scheme and upload the error-free details of eligible farmers including land records, linking of Aadhaar with their bank accounts and e-KYC for successful transfer of the benefits. Benefits of the scheme are transferred to the beneficiaries through Direct Benefit Transfer (DBT) mode, based on the verified data received from the States/UTs on the PM-KISAN portal.

PM-KISAN Scheme has a robust grievance redressal mechanism. Government of India has developed a dedicated module on the PM-Kisan Portal for raising grievances by the farmer. These grievances are being addressed by the State/ District level officials. During the current FY 2024-25, a total number of 10859 grievances were received on PM-Kisan portal and out of which 10613 grievances have been disposed of so far. Apart from the PM-Kisan grievance module, farmers can also register their grievances through CPGRAMS Portal. During the current FY 2024-25, a total number of 63,464 grievances were received on CPGRAMS portal and out of which 62,912 grievances have been disposed of so far. Grievances received on all the issues including those due to error in data entry of farmers are resolved expeditiously.

Benefits released under PM-KISAN since inception, State-wise and Instalment-wise
