- (d) if so, the details thereof and the effective steps taken by Government to mitigate the farmers' crisis and safeguard their lives?

**ANSWER**

THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE

(SHRI RAMNATH THAKUR)

(a) & (b): The various schemes/ programmes of the Government of India are designed to increase the welfare of farmers by increasing production, remunerative returns and income support to farmers. Brief of new schemes/ programmes initiated during last 10 year by Department of Agriculture & Farmer's Welfare for making farming more remunerative and make the farmers financially more secure including disbursement of farm loan are provided in annexur-I.

(c): The National Crime Records Bureau (NCRB) under the Ministry of Home Affairs compiles and disseminates information on suicides in its publication titled 'Accidental Deaths and Suicides in India' (ADSI). The report till 2022 is available on NCRB website (<https://ncrb.gov.in>). In the ADSI Reports 2020, 2021 and 2022, separate reasons for farmers' suicide have not been given.

Government of India supplements the efforts of States through appropriate policy measures, budgetary support and various schemes/ programmes. The various schemes/ programmes of the Government of India are meant for the welfare of farmers by increasing production, remunerative returns and income support to farmers.

The initiatives of Government are yielding good results with resultant increase in income of the farmers. As part of the 'Azadi ka Amrit Mahotsav', Indian Council of Agricultural Research has released a compilation of success stories of 75,000 farmers out of innumerable successful farmers whose incomes have increased more than two times".

NSSO Survey on Household Consumption Expenditure (2022-23) has mentioned a statement, which shows a comparison of the estimates of all-India average Monthly Per Capita Consumption Expenditure (MPCE) as under:

Sector	Average MPCE (Rs.) over different period	
	2011-12 NSS (68th round)	2022-2023
Rural	1,430	3,773
Urban	2,630	6,459
Note: For the years 2011-12 and 2022-23, estimates are based on Modified MRP (MMRP).		

Brief of new schemes/ programmes initiated during last 10 year by Department of Agriculture & Farmer's Welfare for making farming more remunerative and make the farmers financially more secure including disbursement of farm loan are already provided in annexure-I.

(d): Effective steps taken by Government to mitigate the farmers' crisis:

Government of India has identified the following seven sources for enhancing income growth of farmers: -

- i. Increase in crop productivity
- ii. Increase in livestock productivity
- iii. Resource use efficiency – reduction in cost of production
- iv. Increase in cropping intensity
- v. Diversification to high value agriculture
- vi. Remunerative prices on farmers' produce
- vii. Shift of surplus manpower from farm to non-farm occupations

To achieve the above seven objectives, Government of India supplements the efforts of States and welfare of farmers through appropriate policy measures and budgetary support and various schemes/ programmes. In the year 2013-14 the budget allocation of Department of Agriculture and Farmers' Welfare was only Rs. 21,933.50 crore. This has increased by more than 5.58 times to Rs. 1,22,528.77 crore in 2024-25.

Agriculture and welfare of farmers are the major focus areas for Government of India. In 2015 the name of the Ministry has been re-designated as Ministry of Agriculture and Farmers Welfare with the main objective of working for welfare of farmers. Ministry of Agriculture and Farmers welfare

as well as other stakeholder Ministries like Ministry of Cooperation, Department of Animal Husbandry and Dairying, Department of Fisheries and Ministry of Rural Development have launched various schemes/programmes to make agriculture more remunerative for farmers to get maximum benefit.

**Brief of new schemes/ programmes initiated during last 10 year by DA&FW for making farming more remunerative and make the farmers financially more secure.**

**1. Increase in budget allocation over the years**
