ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF HOUSING AND URBAN AFFAIRS
(SHRI TOKHAN SAHU)

- (a) to (c) As on 15.11.2024, under the Smart Cities Mission (SCM), work orders have been issued in 8,066 projects amounting to ₹1,64,669 crore, of which 7,352 projects amounting to ₹1,47,366 crore (i.e. 91% of total projects) have been completed, as per the data provided by 100 Smart Cities. Remaining 714 projects amounting to ₹17,303 crore are currently in implementation stage. State-wise details of projects completed in various smart cities is given at Annexure.

On the request received from various State/UT Governments, the period of SCM has been extended up to 31st March, 2025, including the State of Kerala. It is pertinent to mention here that 'Land' and 'Colonization' are State subjects. Further, as per the 12th Schedule of Indian Constitution (Article 243W), Urban Planning including Town Planning is the responsibility of Urban Local Bodies (ULBs)/ Urban Development Authorities. However, Government of India views high urbanization as an opportunity towards aspirations of faster economic development. Government of India supplements the efforts of the States through schematic interventions/ advisories, whereas the implementation of projects is done by the respective cities.

As apprised by the Smart Cities, the delay in completion of some projects can be attributed to varying reasons including, *inter alia*, legal issues, delay in obtaining clearances from different departments, land acquisition, construction in hilly areas, challenges in vendor and resource availability in small & medium cities.

- (d) & (e) 100 cities have been selected under SCM after 2 stages of challenge process. In the first stage, State/UT Governments shortlisted potential smart cities within the State. Cities emerging successful in first stage, were then recommended by the State/ UT Governments to Ministry of Housing & Urban Affairs (MoHUA) for the second stage of National competitions. The State Government of Kerala had not submitted the proposal to sanction Smart City at Palghat district.
