**THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYUSH

(a) Hon'ble Prime Minister on 22 January, 2022 launched Mission Utkarsh, a new initiative for the rapid development of selected district against Key Performance Indicators (KPIs) identified by various Ministries to ensure that the districts reach the state average in one year and the national average or better, in two years. As per the inputs received from NITI Aayog, 15 Central Ministries/Departments are involved under the initiative to bring these bottom-performing districts to the State and National averages. As a part of this initiative, Ministry of Ayush has signed a Memorandum of Understanding (MoU) with Ministry of Women and Child Development (one of the 15 Central Ministries/Departments under Mission Utkarsh) on 26.02.2024 to promote Ayurveda interventions to improve health conditions and prevention of Anaemia in adolescent girls.

The objective of the initiative is:

- (i) To improve the performance of the selected districts in KPIs from the current level to State Average within a year and to take them to national average or better within 2 years.

(ii) To use the learning gained under this initiative to improve performance across districts in India.
