SHRI MUKUL BALKRISHNA WASNIK.**

(a) to (d): In the 15th Finance Commission period, components of nutritional support for children below the age of 6 years, pregnant women and lactating mother and Adolescent Girls; Early Childhood Care and Education [3-6 years] and Anganwadi infrastructure including modern, upgraded Saksham Anganwadi have been reorganised under the umbrella Mission Saksham Anganwadi and Poshan 2.0 for effective implementation of the scheme and for better nutritional delivery to end beneficiaries.

Under Mission Saksham Anganwadi and Poshan 2.0, there is a provision of construction of 50000 AWCs buildings over a period of five years @10000 AWCs per year. The cost norms for construction of Anganwadi Centres in convergence with Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) have been revised from Rs.7 Lakh per AWC to Rs.12 Lakh per AWC wherein Rs.8.00 Lakh would be provided under MGNREGS, Rs.2.00 Lakh under 15th Finance Commission (FC) (or any other untied funds) and Rs.2.00 Lakh by MWCD per AWC to be shared between Centre and States/UTs in the prescribed cost sharing ratio. Further, States/UTs have also been advised to continue to tap funds for construction of AWC buildings from various schemes such as Member of Parliament Local Area Development Scheme (MPLADS), Rural Infrastructure Development Fund (RIDF), Finance Commission Grants to Panchayati Raj Institutions, National Rural Employment Guarantee Act (NREGA), Multi- Sectoral Development Programme (MSDP) of Ministry of Minority Affairs, etc.

Directions have been issued to States/UTs to co-locate Anganwadi Centres, which are running on rent without sufficient infrastructure, at nearby Primary Schools, where space is available.

2 lakh Anganwadi Centres (AWCs) located in Government buildings @ 40,000 AWCs per year have been approved to be strengthened and upgraded as Saksham Anganwadis for improved nutrition delivery and for Early Childhood Care and Education they are to be provided with better infrastructure than the conventional Anganwadi Centres including LED screens, water purifier/installation of RO Machine, Poshan Vatika, ECCE related books and learning material etc. Further, Government has also decided to upgrade all Mini AWCs with one worker to full-fledged Anganwadi Centres with one worker and one helper each.

The State and UT wise number of anganwadi centres across the country along with the details of those anganwadi centres operating from their own buildings, rented premises, panchayat buildings, community buildings and school premises are at Annexure.

As on 16.03.2025, as per Poshan Tracker data, drinking water facilities are available in a total of 12,48,281 Anganwadi centres and toilet facilities in 10,16,618 Anganwadi centres across the country.
