ANSWER

MINISTER OF CIVIL AVIATION

(Shri Kinjarapu Rammohan Naidu)

(a) & (b): On the basis of the recommendations of the Steering Committee on Greenfield Airports, Government of India has granted Site Clearance to Airports Authority of India (AAI) for setting up of a Greenfield Airport at Doloo, Cachar, Assam on 22.02.2024.

AAI is required to prepare a Detailed Project Report (DPR) including therein the details like Social and Environmental Impact Assessment, timelines for completion of the project etc. Thereafter, prior to commencement of construction works, AAI has to submit an application along with DPR to Ministry of Civil Aviation (MoCA) for grant of 'In-Principle' approval
