ANSWER

THE MINISTER OF MINORITY AFFAIRS

(SHRI KIREN RIJU)

- (a) During the current financial year no funds have been released to the State of Kerala under the scheme. However, funds may be released to the State after completion of following mandatory formalities:
 - i. 75% utilisation of Central and State share (as per UC submitted)
 - ii. Transfer of central and corresponding state share to SNA
 - iii. Remittance of Interest to CFI
 - iv. Approval of Legacy data in PFMS
- (b) Since inception i.e. 2008-09 of the Scheme a total of 2155 project units have been approved to the State Govt. of Kerala out of which the State has completed 288 project units till date. The list of major units completed under PMJVK is at Annexure-I.
- (c) PMJVK is a community infrastructure development scheme and thus the infrastructure developed is for the benefits of the whole population of the respective minority concentration areas.
- (d) An evaluation study of PMJVK conducted by the NITI Aayog in the year 2020-2021, observed that the Scheme was helpful in bridging the development deficit in the identified areas of the country and had contributed to up-gradation of school infrastructure, providing additional classrooms, new hostels, Community Health Centres (CHCs), Primary Health Centres (PHCs), Industrial Training Institutes (ITIs), polytechnics, skill training centres, etc. The restructuring of the programme in the year 2018-19 has brought in significant improvement with a greater focus on women-centric projects. It was, inter alia, recommended by the NITI Aayog to increase coverage of the scheme, to ensure that projects should reach the minority communities across all States. The scheme has been approved for implementation from financial year 2022-23 with the revised guidelines during the period of 15th Finance Commission Cycle, in all districts of the country.
